*Jean,
Thank you very much for the great presentation. I spoke with several people this Thursday and they all thought you gave an excellent talk. Thank you again for the good work.*

- Ron Driscoll

Jean Sturgill coached me in how to develop a speech that will resonate with the audience - with emphasis on effective delivery (my weak spot). Her approach was very practical - to the point - and very beneficial to me. She knows her stuff. Thank you Jean.

- Marie Brown

Jean's tips have helped me enough that someone turned to me at a networking event and said, "You must be a public speaker."

- Kathryn Porter

Looking forward to utilizing the handout to assist with future speaking engagements.
